

Mural Info Sheet

Wall Murals

Price can range, on average, between \$400 - \$600 for a basic, one-wall mural.

Overall price reflects the size and complexity of the project and can vary.

Murals painted inside will be done with acrylic paint. Outdoor murals will be done with exterior latex paint and a weather sealant will be applied.

Target completion time is one day but can vary with the size of the project.

Interactive Wing Murals

Interactive wing murals are a fun way to create a photo backdrop that's perfect for your next social media post or to just print and frame!

The butterfly wings have two basic prices:

- Kids-sized wings are \$400. They are smaller and measure 6' x 6'
- Adult-sized wings are \$600. They are larger and measure 8' x 8'

There can be other interactive options such as angel wings, bird wings or even antlers!

Overall price reflects the size and complexity of the project and can vary.

Murals painted inside will be done with acrylic paint. Outdoor murals will be done with exterior latex paint and a weather sealant will be applied
